# BOOM!

**KUMPA'NIA is a playful street percussion troupe** that brings a joyous, clown-like, festive atmosphere everywhere it goes!

**Whether in summer or winter, indoors or outdoors, by day or by night (with lit-up drums!), in choreography or parade mode, everything is possible!**

As if a dismantled drum kit came to life, wearing funky costumes and with humorous choreography, KUMPA'NIA brings the sounds of original compositions inspired by Brazilian, Cuban and African rhythms.

**Since its creation in 2002, KUMPA'NIA has performed over 1400 shows** at a variety of events, from large-scale to local.

**In 2021, KUMPA'NIA has performed more than 50 times throughout Québec.** Highlights of the summer included the Québec National holiday in Québec City and a tour in Gaspésie, from Sainte-Anne-des-Monts to the Festival de Musique du Bout du Monde in Gaspé. The band has performed at Gib Fest in Sorel-Tracy, at Noël dans le Camping in Saint-Élie-de-Caxton, at the Festival des Arts de Ruelle de Montréal and at the Carnaval des Couleurs in Montréal.

# Custom-Made Performances!

**Street animation during a winter afternoon? A show with exuberant choreography and lit-up drums?**

Whether it be for a festival, a neighbourhood party, a back-to-school event, a demonstration of workers on strike or for a show for the elderly, we adapt the duration and the performance to your needs.

The ensemble is made up of 8 to 10 musicians playing surdo, snare drum, cowbell, shaker, toms and repique.

## **KUMPA'NIA adjusts to the public health standards that apply**

- The performances are conceived to exclude close contact with the public.
- Musicians wear facemasks at all times during performances.
- Details regarding the health standards will be included in the contract between KUMPA'NIA and the promoter.
